Dear Michaels Crafts,

I am writing to express my interest in the customer service position advertised at Micheals Arts and Crafts. Although I am still in high school, I believe that my academic achievements, my love for art, and making new and unique things have equipped me with valuable skills such as;

- Creative problem solving
- The love of learning new things
- Existing extensive knowledge of crafting
- The love of teaching people about things I enjoy

As a cast member of multiple theater productions, I have developed strong people skills and learned the value of teamwork and commitment. These experiences, along with my strong work ethic and eagerness to learn, make me a promising candidate for this position.

Thank you for considering my application. I look forward to discussing how I can contribute to your team.

Sincerely,

Maggie Hale
